

Issued: June 9, 2015

Program: Construction Electrician

To: ITA Training Providers
Articulation Chair
System Liaison Person
School Districts

Subject: **Construction Electrician Levels 1 - 3**
Launch of ITA Standardized Level Exams: DELAYED

RE: **OPSN 2015 010**

Effective Date: Immediately

Summary: The launch date of ITA Level Exams for **Levels 1 - 3** of the **Construction Electrician** program has been delayed until further notice. Training Providers will be notified 3 months in advance of the intended date of launch.

Rationale: Employment and Social Development Canada (ESDC) is finalizing the Red Seal Occupational Standard (RSOS) for the Construction Electrician program. A review of the new standard and identification of gaps will be required before Standardized Level Exams can be launched. The timeframe for this work will not align to meet the March 31, 2016 launch date as communicated in OPSN 2014 019.
