Subject: **Industrial Electrician Level 3**
ITA Standardized Exams Deactivation

RE: **OPSN 2017 001**

Effective Date: Immediately

Summary: The standardized exams for Level 3 of the Industrial Electrician program are being deactivated effective immediately. There will be no requirement to write standardized ITA exams at any level in this program until further notice.

Rationale: The Industrial Electrician Program Outline is currently under review. New level exams will be developed and implemented once the program standards for the Industrial Electrician program are reviewed and updated.
