Subject: Carpenter: Revised Target Implementation Date

OPSN No.: OPSN 2022 015.1 Amendment

Effective Date: Immediately

Details:

This OPSN is an amendment to [OPSN 2022 015](#).

Please be advised that the target implementation date for the updated Harmonized Carpenter program has been moved to **April 1, 2024**. The original target implementation date was **April 1, 2023**.

The revised implementation date may affect ongoing delivery of the practical component of competency C4 - "Use Oxy-Fuel Equipment". In the interim, and prior to the implementation of the updated Harmonized program, delivery of the practical component of competency C4 is **optional**.

Please note that there has been no change to the content of existing Standardized Level Exams (SLEs). Questions on the theoretical component of competency C4 may still appear on the SLEs. As such, there is no change to the delivery of the theoretical component in technical training.
