| COATINGS | |
| Task 18 – Prepares for application of industrial paints and coatings 15 Task 19 – Applies industrial paints and coatings 14 | |
| Take 10 , approximational paints and Contings | \dashv |

Details:

The Interprovincial Red Seal exam is a summative assessment intended to test an apprentice's trade knowledge gained through both on-the-job experience and technical training. Exam questions are developed by certified trade worker subject matter experts (SMEs) as well as instructors and are intended to reflect trade practices in Canada. The exams are edited, translated, and peer reviewed by additional SMEs before they are implemented. The exams are developed to test the sub-tasks of the most recent Red Seal Occupational Standard.

The **Painter and Decorator** 2021 RSOS can be downloaded here.

A comparative analysis of the sub-task changes from the previous standard can be found on the SkilledTradesBC trade page (<u>Painter and Decorator | SkilledTradesBC</u>).
