

## WELDER

### LOG BOOK INFORMATION SHEET

#### About Your Log Book

Your log book is an important record of your apprenticeship. It is a complete record of your training, competencies, certifications, endorsements and employment history. You need to take great care to keep it up-to-date, and ensure that all the required information is complete and correct. Each section of your log book will be reviewed by SkilledTradesBC to determine if you have met the completion requirements of your program.

#### Getting Your Log Book

<b>Welder Foundation Trainees</b>	After you have completed your foundation program, your SkilledTradesBC-approved training provider will provide you with the most current edition of the log book.
<b>Welder Apprentices</b>	<p>After you have completed Level 1 technical training, your SkilledTradesBC -approved training provider will provide you with most current edition of the log book.</p> <p>If you want a log book before you complete technical training, you must send the <u><i>Request for Document Replacement</i></u> form with 2 passport sized photos (digital or printed) to SkilledTradesBC Customer Service, where you will receive most current edition of the log book. This form requires that your ID be verified. There is no fee required. Please see form for further directions.</p>
<b>Welder Challengers</b>	After you have passed your Interprovincial Red Seal Exam & standardized practical assessment, you may request the most current edition of the log book by sending the <u><i>Request for Document Replacement</i></u> form with 2 passport sized photos (digital or printed) to SkilledTradesBC Customer Service. This form requires that your ID be verified. There is no fee required. Please see form for further directions.
<b>Certified Red Seal Welders from outside BC</b>	<p>If you have an Interprovincial Red Seal Certification from a Canadian jurisdiction other than BC, you may request a blank log book of the most current version for Technical Safety BC pressure ticket(s) purposes.</p> <p>In order to obtain most current edition of the log book, please send the <u><i>Request for Document Replacement</i></u> form with 2 passport sized photos (digital or printed) to SkilledTradesBC Customer Service. This form requires that your ID be verified. There is no fee required. Please see form for further directions.</p>
<b>Replacement Log Book</b>	<p>If you need a replacement log book, you must complete the <u><i>Request for Document Replacement</i></u> form available from the SkilledTradesBC website and send it to SkilledTradesBC Customer Service along with 2 passport sized photos (digital or printed). If you hold a BC issued certification there is a \$35.00 replacement fee. If you lost your log book, but were never certified, you can request a blank log book. There is no fee required to obtain a blank log book. You will receive the most current edition of the log book.</p> <p><i>NOTE:</i> training and hours tracked in a misplaced log book will not be transferred to your replacement log book, but previously submitted training and hours will be recorded on your Direct Access file. Please make copies of your current log book on a regular basis to ensure all training and credit obtained will be credited towards your apprenticeship. Verification of the information provided on these copies will be performed.</p>

## Completing Your Log Book

### New Editions (Teal or Red)

Your log book must document completion of the following:

- The following **programs/levels**, signed off by your **SkilledTradesBC approved training provider**:
  - Welder Foundation or Levels 1 & 2 technical training
  - Welder B Modular or Level 3 technical training
  - Welder A Modular or Multi-Process Alloy Welding (MPAW) endorsement technical training
- Other Training and Course Endorsements**, record Welder related training or courses other than BC recognized Technical Training Programs (other than Welder Foundation, B, A, 1, 2, 3, or MPAW).
- Welder Code Qualifications and Endorsements** handled by Technical Safety BC (previously known as British Columbia Safety Authority) will be housed in the logbook. This, however, is not required for SkilledTradesBC certification.
- Welder's Performance Qualification Record (WPQR) book** and Qualification test record handled by Technical Safety BC (previously known as British Columbia Safety Authority) for recording Welder's ASME Performance Qualification Test(s). Only the Safety officer or other recognized individual makes entries in the section.
- Employment Record**: All columns must be completed and signed by the employer(s).
- Name and SkilledTradesBC Registration number and/or Technical Safety BC Registration number at the top of every page.**

	FROM: Y/M/D	TO: Y/M/D			
1. 2.				1. 2.	1. 2.

## Submitting Your Log Book

<b>Registered Apprentices</b>	When you have met all your program requirements, your sponsor should submit your log book, along with a completed <i>Recommendation for Certification</i> form to SkilledTradesBC. Once certification is granted, SkilledTradesBC will send your certificate package to your sponsor. Your log book with the completion stamp enclosed can be mailed to your sponsor along with your certificates or mailed separately directly to you. Our SkilledTradesBC staff will contact you after your certification is achieved to verify which option you prefer. Please note your certificates will be sent to your sponsor.
<b>Modular Trainees</b>	When you have completed all your program requirements, send your log book, along with a completed <i>Completion of Modular Welder C, B, A &amp; IP</i> form, to SkilledTradesBC Customer Service for assessment. Once approved, SkilledTradesBC will send you a Certificate of Qualification and your log book with the completion stamp attached.
<b>Foundation</b>	Log book submission is not required.
