

AGRICULTURAL EQUIPMENT TECHNICIAN

Occupation Description

“Agricultural Equipment Technician” means a person who repairs power driven farm equipment and any of the associated attachments, or specialty equipment that may be deemed to be of an agricultural nature.

Pathways to Certification

In BC, an individual can become certified as an Agricultural Equipment Technician by challenging the certification. Challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

The apprenticeship pathway in BC is closed to registration.

SkilledTradesBC Registration

Individuals who wish to challenge the Agricultural Equipment Technician certification must complete the Agricultural Equipment Technician Challenge Application and submit it to SkilledTradesBC. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the Challenge pathway.

**Apprenticeship Pathway**

The apprenticeship pathway in BC is closed to registration. However, the challenge route is still available to those eligible.
