**Subject:** Carpenter Harmonized Transition Update

**From:** ITA Program Standards

**Effective Date:** April 1, 2022

**Summary:** Apprentices with Current Level 2 (CL2) or Current Level 3 (CL3)

As of April 1, 2022, the Carpenter program is fully harmonized. All harmonized levels of technical training have been implemented and all levels of the current program have been phased out.

If **apprentices from the current program** are interested in registering for Harmonized Level 3 (HL3) or Harmonized Level 4 (HL4), please have them contact their [Apprenticeship Advisor](#) to discuss potential gaps in their training **before they are registered in harmonized HL3 or HL4 technical training.**

The [Transition Plan](#) on the trade page has been updated.

**Background:** On June 16, 2016, ITA Program Standards issued [OPSN 2016-009](#), which detailed the changes to the Carpenter Program as a result of the Harmonization Initiative and announced the implementation of a revised Program Outline, effective March 31, 2017.

**Other Information:** For information about **registering apprentices from the current program in a harmonized level of technical training**, please refer to the [Registration Guide for Training Providers](#), or contact [assessmentscoordinator@itabc.ca](mailto:assessmentscoordinator@itabc.ca).
