

PILEDRIVER AND BRIDGEWORKER

Occupation Description

“Piledriver and Bridgeworker” means a person who constructs, installs, repairs or removes all types of deep piles and caisson foundations and other types of marine installations: such as bridges, docks, wharves, tunnels and bulkheads. Skills required are fitting welding, rigging, form-work and timber/concrete construction, seamanship, heavy-duty equipment operation and environmentally safe practices. For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the SkilledTradesBC website.

Pathways to Certification

In BC, an individual can become certified as a Piledriver and Bridgeworker by completing the Piledriver and Bridgeworker program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Youth can begin an apprenticeship in high school through the Youth Train in Trades or Youth Work in Trades programs. The Youth Work in Trades program is available for any trade if an employer is willing to sponsor the student. Trades offered through the Youth Train in Trades vary by region; contact your local school district to find out which technical training programs are being offered through the Youth Train in Trades program in your region.

Recommended Education

The following education is recommended for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 10 or equivalent including English 10, Math 10 and Science 10
- Preferred: Grade 12

SkilledTradesBC Registration

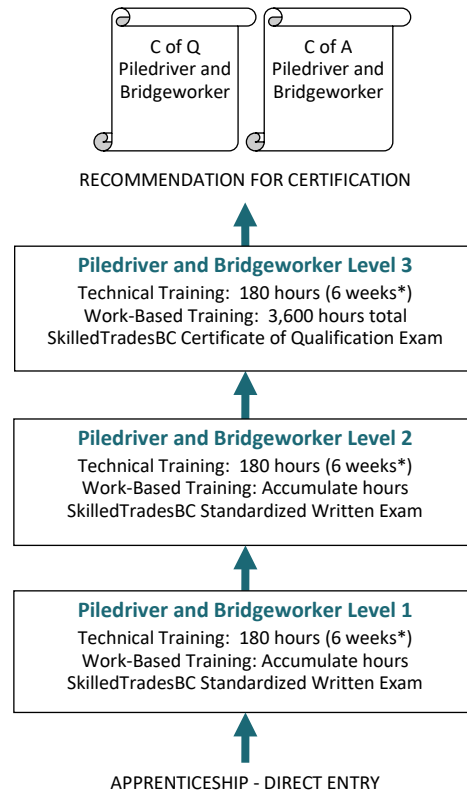

Individuals who wish to begin an apprenticeship in this program must register with SkilledTradesBC along with their sponsor. Application forms for all programs are available from the SkilledTradesBC website. Online registration is also available for most programs through the SkilledTradesBC website.

Those who wish to challenge the Piledriver and Bridgeworker certification must complete the Piledriver and Bridgeworker Challenge Application and submit it to SkilledTradesBC. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the Challenge pathway.

Certification as a Piledriver and Bridgeworker is awarded upon successful completion of:

Requirement	Level of Achievement Required
Technical Training	Minimum 70% in each level of technical training: <ul style="list-style-type: none"> ▪ Level 1: 180 hours (or 6 weeks*) and SkilledTradesBC standardized written exam ▪ Level 2: 180 hours (or 6 weeks*) and SkilledTradesBC standardized written exam ▪ Level 3: 180 hours (or 6 weeks*)
SkilledTradesBC Certificate of Qualification Exam	<ul style="list-style-type: none"> ▪ Minimum 70%
Work-Based Training	<ul style="list-style-type: none"> ▪ 3,600 hours
Recommendation for Certification	<ul style="list-style-type: none"> ▪ Recommendation for certification signed by the Sponsor and an individual holding credentials eligible for sign-off authority

(*Assuming 30 hours in school per week)

Program Duration

Duration varies depending on how training is delivered, but the program generally takes 3 years to complete.

The technical training requirement is typically met through block-release training (full-time, at school) delivered by a SkilledTradesBC-approved training provider. It can also be met through approved alternative training models (e.g., distance education, online, part-time) and/or level challenge where these options are available.

Sign-off Authority

Credentials eligible to sign-off on the Recommendation for Certification:

- Piledriver and Bridgeworker – Certificate of Qualification
- SkilledTradesBC-issued letter authorizing supervision and sign-off of apprentices in this occupation

Challenging a Level

The following levels of technical training can be challenged for advanced placement in this program:

- Level 1
- Level 2
