GEOTECHNICAL ENVIRONMENTAL DRILLER STATUTORY DECLARATION OF WORK EXPERIENCE

SkilledTradesBC Customer Service 800 – 8100 Granville Ave. Richmond, BC V6Y 3T6

Tel: 778-328-8700 Fax: 778-328-8701 Toll Free: 1-866-660-6011 customerservice@skilledtradesbc.ca

To qualify to challenge certification in this trade, you must:

- Have worked a minimum of 4,860 hours performing some or all of the job tasks listed in Section E of this form, and
- Have experience performing at least 70% of those tasks

4,350 documented hours of directly related work experience for holders of a Certificated of Qualification in Well Pump Installer will be required to challenge the Certificate of Qualification Examination.

1,620 documented hours of directly related work experience for holders of a Certificated of Qualification in Geoexchange Driller will be required to challenge the Certificate of Qualification Examination.

1,250 documented hours of directly related work experience for holders of a Certificated of Qualification in Water Well Driller will be required to challenge the Certificate of Qualification Examination.

A Statutory Declaration of Work Experience is used to declare work experience for periods during which you were self-employed or a previous employer is unavailable to complete an Employer Declaration. Please note that unless your work experience hours were gained through self-employment, your application to challenge certification will not be accepted if it is only accompanied by a Statutory Declaration. Non-self-employed applicants must provide an Employer Declaration from at least one employer who can verify work experience. For more information, see Instructions for Certification Challenge.

The information provided on this form is used to assess and to validate your work experience in this trade.

H. References

References must accompany all Statutory Declarations. Include with your completed Statutory Declaration the names and contact information of three individuals who can verify your self-declared work experience in this trade. This may include suppliers (maximum one), former employees (maximum one), contractors, or regular, long-term clients (maximum one).

Each individual listed will be contacted by the BC Ground Water Association (BCGWA) or SkilledTradesBC to verify the information provided on your application.
