

This form is used to declare work experience for periods during which you were self-employed, or a previous employer will not complete an Employer Declaration.

Note: Unless your work experience was gained through self-employment, applications must be accompanied by at least one Employer Declaration. For more information, see Instructions for Certification Challenge or Supervision and Sign-off Authority.

“Marine Service Technician” refers to a tradesperson who performs any combination of service, repair, construction or installation of recreational vessels and light commercial vessels, with marine specialty skills in one or more of the following areas: composites technology, refinishing, woodworking, metals, systems installation and rigging. They may be employed by boat repair yards, marinas, yacht manufacturing facilities, yacht clubs, marine dealerships or specialty marine service providing businesses.

To qualify to challenge certification in this trade or be granted authority to supervise and sign-off on apprentices in this trade, individuals must have:

- worked a minimum of **6,000 hours** performing the tasks listed in Section D,
- experience performing the job tasks as per Section D, and
- proof of achievement of industry-based **Advanced Competency Assessment Standards & Workplace Performance Report Criteria (attach copy of verification letter from Quadrant Marine Institute)**. This is not applicable for individuals applying for Supervision and Sign-off Authority.
