LMS Employees' Association	Note: Footnote 2 explains how ITA calculates its completion rate, as LMS Employees' Association did not have any records available within the six year calculation time frame, it is not possible to calculate the completion rate.										

⁽¹⁾ Fiscal Year: April 1st to March 31st. Fiscal Year Cohorts are of apprenticeships who are registered in the ITA Direct Access system as indicated in Table 1. Cohort 2013/14 is the latest cohort for which ITA has reported completion rates.

⁽²⁾ Completion rate is a measure of the number of apprentices who have completed their program and obtained their Certificate of Qualification within 6 years (April 1 to March 31 annually) of registration.

... Represents numbers 5 and less. These numbers have been masked to ensure the protection of individuals' personal information. In some cases, it is not only necessary to mask one number but also a complementary number because the missing value can be calculated from the total. In these cases, two cells are suppressed so the exact value of one cell cannot be calculated.
