Subject **Implementation of Revised Professional Cook Documents Levels 1, 2, 3.**

From ITA Program Standards

Effective Date **January 1, 2020**

Information It was brought to ITA's attention that some of the Professional Cook documents for Level 1, Level 2 and Level 3 contained information that was not completely aligned. As a result, all Professional Cook documents have now been revised to ensure information is accurate throughout. These updated documents are effective **January 1, 2020** and dated appropriately. All previous documents are no longer relevant.

Documents available to the public can be found on the ITA website. Documents specific to *Instructors and Assessors only* are available on Totara.
