

## **FUNERAL DIRECTOR**

---

### **Occupation Description**

“Funeral Director” means a person who, in the course of doing business, negotiates or enters into funeral contracts, arranges, conducts or directs bereavement rites and ceremonies; transfers human remains or directs or supervises the transfer of human remains, cares for or prepares human remains prior to disposition, other than disinfecting, preservation or restoration of human remains.

### **Pathways to Certification**

In BC, an individual can become certified as a Funeral Director by completing the Funeral Director program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Youth can begin an apprenticeship in high school through the Youth Train in Trades or Youth Work in Trades programs. The Youth Work in Trades program is available for any trade if an employer is willing to sponsor the student. Trades offered through the Youth Train in Trades vary by region; contact your local school district to find out which technical training programs are being offered through the Youth Train in Trades program in your region.

Foundation programs, where available, provide adults and youth who do not have work experience nor employer sponsorship with an opportunity to gain the knowledge and skills needed to enter the occupation. Individuals who wish to enroll in a Foundation program must register directly with the training provider.

### **Recommended and/or Required Education**

The following education is **recommended** for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 12 (or equivalent from a recognized post-secondary institution) – English 12, Biology 12, and Chemistry 12

The following education is **required** prior to enrolment in the technical training for this occupation. It will be verified by the training provider upon enrolment.

- Level 1 Basic WCB Occupational First Aid course

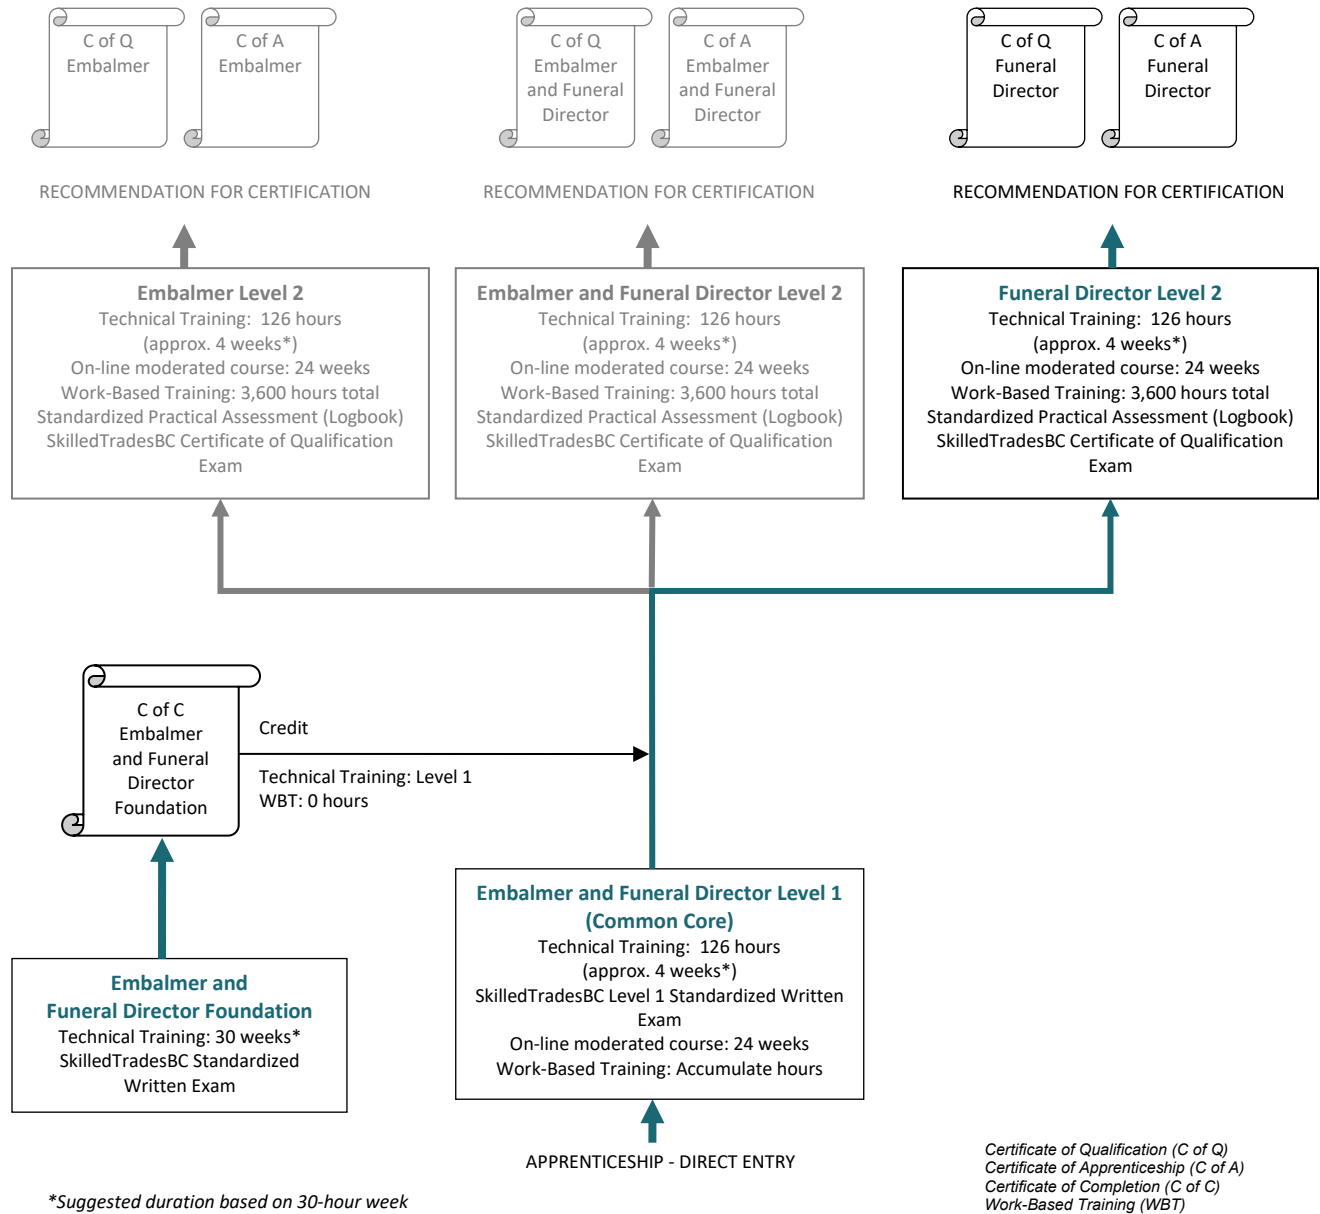

### **SkilledTradesBC Registration**

Individuals who wish to begin an apprenticeship in this program must register with SkilledTradesBC along with their sponsor.
