

PARTS TECHNICIAN 1

Occupation Description

A "Parts Technician 1" is involved in ordering, warehousing, maintaining inventory control and sales of parts. They are responsible for identifying parts and equipment, searching for parts, shipping and receiving parts, providing customer service and advice, and maintaining records.

A Parts Technician works in various industries such as automotive service, commercial transport, heavy duty equipment, small engine repair, aeronautics, agricultural equipment, marine equipment, the mining sector, and the forestry sector. The work environment for Parts Technicians is generally indoors in a warehouse and/or at a service counter. Some parts people may perform deliveries of parts to their customers. Parts Technicians generally work in teams that include retail service staff, sales staff, and service technicians.

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the SkilledTradesBC website.

Pathways to Certification

In BC, an individual can become certified as a Parts Technician 1 by completing the Parts Technician 1 program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Youth can begin an apprenticeship in high school through the Youth Train in Trades or Youth Work in Trades programs. The Youth Work in Trades program is available for any trade if an employer is willing to sponsor the student. Trades offered through the Youth Train in Trades vary by region; contact your local school district to find out which technical training programs are being offered through the Youth Train in Trades program in your region.

Foundation programs, where available, provide adults and youth who do not have work experience or employer sponsorship with an opportunity to gain the knowledge and skills needed to enter the occupation. Individuals who wish to enroll in a Foundation program must register directly with the training provider.

Recommended Education

The following education is recommended for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 10 or equivalent including English 10, Mathematics 10, and Science 10
- Preferred: Grade 12

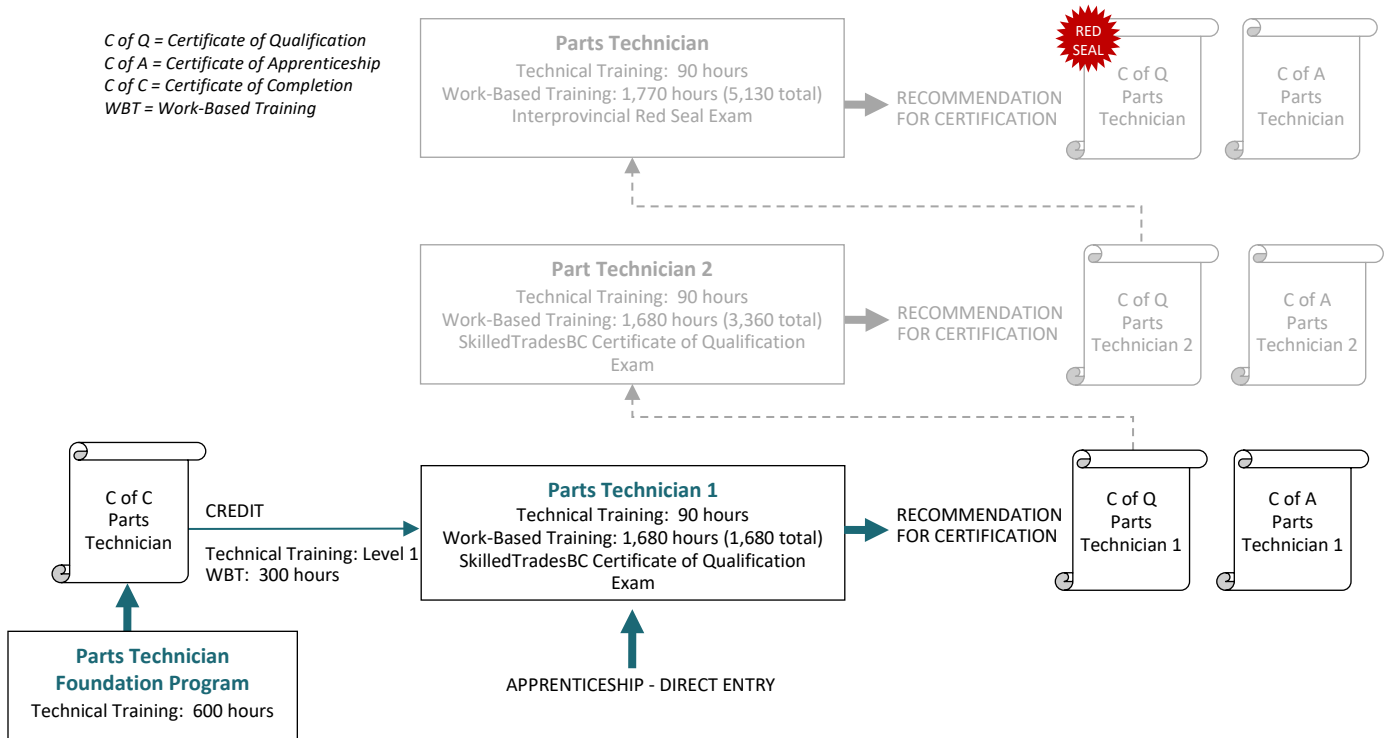

SkilledTradesBC Registration

Individuals who wish to begin an apprenticeship in this program must register with SkilledTradesBC along with their sponsor. Application forms for all programs are available from the SkilledTradesBC website. Online registration is also available for most programs through the SkilledTradesBC website.

Those who wish to challenge the Parts Technician 1 certification must complete the Parts Technician 1 Challenge Application and submit it to SkilledTradesBC. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the Challenge pathway.
