

PARTSPERSON 2

Occupation Description

"Partsperson 2" refers to an individual who orders, warehouses, merchandises, controls inventory and dispenses repair and replacement parts for the automotive, commercial transport, heavy duty, marine and related trades, involving internal combustion engines and drive trains, both at the wholesale trade and retail levels.

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the SkilledTradesBC website.

Pathways to Certification

In BC, an individual can become certified as a Partsperson 2 by completing the Partsperson 2 program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Recommended Education

The following education is recommended for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 10 or equivalent including English 10, Mathematics 10 and Science 10
- Preferred: Grade 12

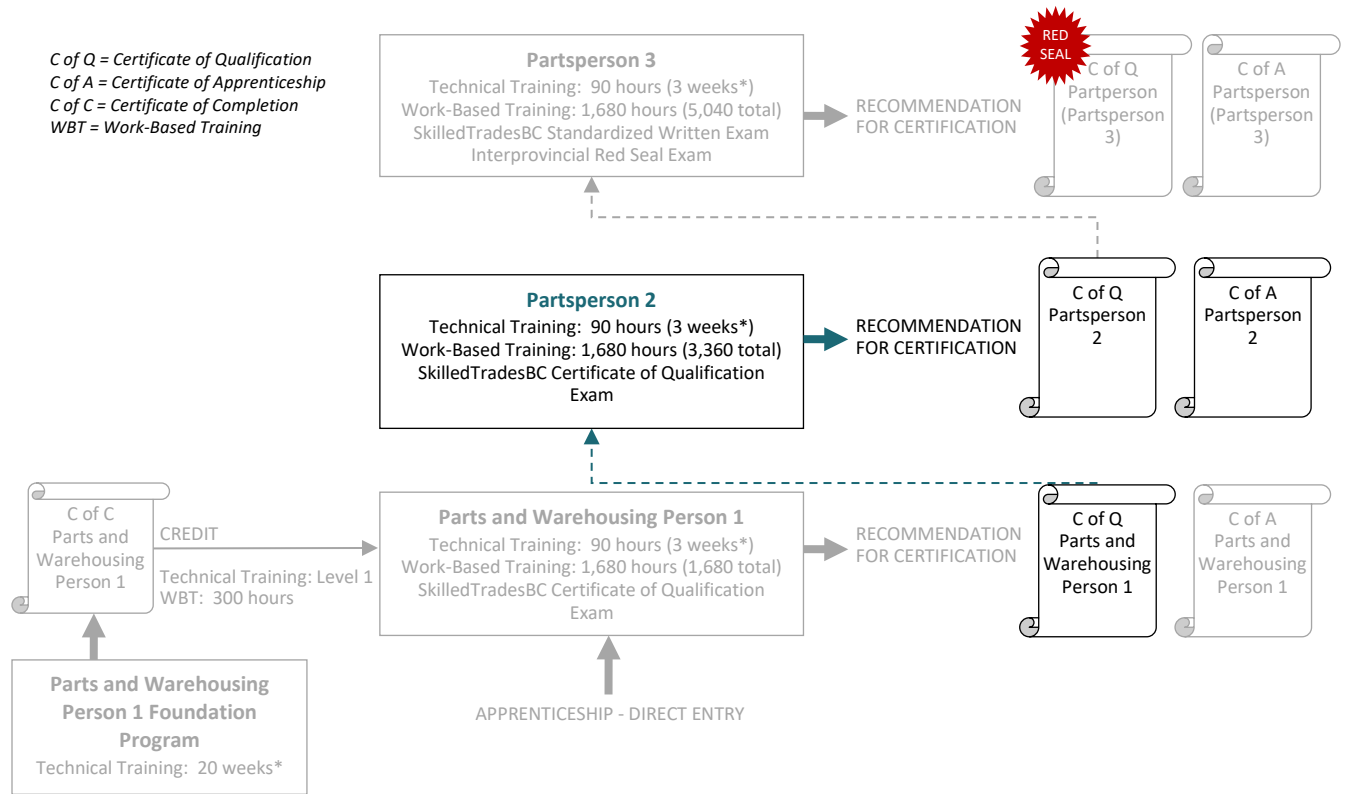

SkilledTradesBC Registration

Individuals who wish to begin an apprenticeship in this program must register, along with SkilledTradesBC along with their sponsor. Application forms for all programs are available from the SkilledTradesBC website. Online registration is also available for most programs through the SkilledTradesBC website.

Those who wish to challenge the Partsperson 2 certification must complete the Partsperson 2 Challenge Application and submit it to SkilledTradesBC. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the Challenge pathway.
