

POLICY: CANCELLATION OF AN INDUSTRY TRAINING CREDENTIAL

The ITA may cancel an *Industry Training Credential* and demand its return where the certificate has been:

- altered in any manner material to its integrity;
- obtained in a fraudulent manner;
- obtained by a person who, it was subsequently determined, did not meet the eligibility requirements set by ITA;
- used for any purpose by a person other than the person to whom it was issued, or;
- in any other circumstances where the integrity of the *Industry Training Credential* has been compromised.
