

CONSTRUCTION ELECTRICIAN

STATUTORY DECLARATION OF WORK EXPERIENCE

This form is used to declare work experience for periods during which you were self-employed or a previous employer will not complete an Employer Declaration.

Note: *Unless your work experience was gained through self-employment, applications must be accompanied by at least one Employer Declaration. For more information, see Instructions for Certification Challenge.*

To qualify to challenge certification in this trade, individuals must have:

- worked a minimum of **9,000 hours** performing the tasks listed in Section D, and
- experience performing at least **70%** of the job tasks listed in Section D

Holders of a **Certificate of Qualification in Industrial Electrician** will be eligible to challenge this certification by documenting **3,000 hours** of directly related work experience.

Holders of **military certificate in Electrical Distribution Technician MT#302 / MT#642, QL5 or higher** with **6,000** documented hours of directly related experience working in the occupation will be eligible to challenge this certification.

Red Seal Exam Weighting

This pie chart represents the distribution of questions on the Red Seal Exam. The self-assessment on the next pages shows the Tasks and Sub-tasks within each Major Work Activity and the number of questions assigned to each Major Work Activity and Task.

The Red Seal Exam for this trade has 100 questions.

	Major Work Activity / Exam Section	Exam Weightage	Number of Questions in Exam
A	Performs common and occupational skills	11%	11
B	Installs, services and maintains generating, distribution and service systems	29%	29
C	Installs, services and maintains wiring systems	30%	30
D	Installs, services and maintains motors and control systems	20%	20
E	Installs, services and maintains signalling and communication systems	10%	10
