

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Appliance Service Technician	AIG \$1,000 1800 work based hours	AIG \$1,000 3600 work based hours	ACG \$2,000 Upon Certification
Auto Body and Collision Technician	AIG \$1,000 1688 work based hours Level 1 technical training	AIG \$1,000 3376 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Auto Body and Collision Technician (Effective April 1, 2021)	AIG \$1,000 1613 work based hours Level 1 technical training	AIG \$1,000 3225 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Automotive Refinishing Technician	AIG \$1,000 1680 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Automotive Refinishing Technician (Effective April 1, 2021)	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Automotive Service Technician	AIG \$1,000 1600 work based hours Level 1 technical training	AIG \$1,000 3200 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Automotive Service Technician 1 (Effective February 2013)	AIG \$1,000 1500 work based hours Level 1 technical training CofQ Exam	N/A	N/A
Automotive Service Technician 1 (Effective September 1, 2017)	AIG \$1,000 1590 work based hours Level 1 technical training CofQ Exam	N/A	N/A
Automotive Service Technician 2 (Effective February 2013)	N/A	AIG \$1,000 3000 work based hours Level 2 technical training CofQ Exam	N/A

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Automotive Service Technician 2 (Effective September 1, 2017)	N/A	AIG \$1,000 3180 work based hours Level 2 technical training CofQ Exam	N/A
Automotive Service Technician	N/A	N/A	ACG \$2,000 Upon Certification
Automotive Service Technician (Effective January 1, 2023)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 3180 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Baker	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 3600 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Boilermaker (Effective September 1, 2018)	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 3300 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Bricklayer	AIG \$1,000 1250 work based hours Level 1 technical training	AIG \$1,000 2500 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Bricklayer (Effective September 1, 2021)	AIG \$1,000 1215 work based hours Level 1 technical training	AIG \$1,000 2430 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Cabinetmaker (<i>Joiner</i>) (Effective September 1, 2023 name change to Cabinetmaker)	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 3240 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Carpenter	AIG \$1,000 1250 work based hours Level 1 technical training	AIG \$1,000 2500 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Carpenter (Effective January 1, 2011)	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 3240 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Carpenter (Effective March 31, 2017)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 3180 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Concrete Finisher	AIG \$1,000 1080 work based hours Level 1 technical training	AIG \$1,000 2160 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Concrete Finisher (Effective September 1, 2018)	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Construction Craft Worker (Labourer)	AIG \$1,000 2000 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Construction Electrician	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Electric Motor Systems Technician (<i>Winder Electrician</i>) (<i>Trade De-designated - Red Seal</i> <i>Endorsements no longer issued after</i> <i>July 31, 2022</i>)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Floor Covering Installer	AIG \$1,000 1520 work based hours Level 1 technical training	AIG \$1,000 3040 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Gasfitter - Class A	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Gasfitter - Class A (Effective January 1, 2023)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Glazier (Effective April 1, 2022)	AIG \$1,000 1165 work based hours Level 1 Technical Training	AIG \$1,000 3330 work based hours Level 2 Technical Training	ACG \$2,000 Upon Certification
Hairstylist (Effective April 1, 2021)	AIG \$1,000 1575 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Heavy Duty Equipment Technician	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Heavy Duty Equipment Technician (Effective September 1, 2017)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 3180 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Instrumentation and Control Technician	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Industrial Electrician	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Industrial Mechanic (Millwright)	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 3300 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Industrial Mechanic (Millwright) (Effective January 1, 2018)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 3180 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Insulator (Heat and Frost)	AIG \$1,000 1480 work based hours Level 1 technical training	AIG \$1,000 2960 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Insulator (Heat and Frost) (Effective September 1, 2019)	AIG \$1,000 1665 work based hours Level 1 technical training	AIG \$1,000 3330 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Ironworker (Generalist)	AIG \$1,000 1400 work based hours Level 1 technical training	AIG \$1,000 2800 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Ironworker (Generalist) (Effective September 1, 2016)	AIG \$1,000 1580 work based hours Level 1 technical training	AIG \$1,000 3160 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Ironworker (Reinforcing) (Effective September 1, 2016)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 Upon Certification	ACG \$2,000 Upon Certification
Landscape Horticulturist	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 3240 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Landscape Horticulturist (Effective September 1, 2018)	AIG \$1,000 1320 work based hours Level 1 technical training	AIG \$1,000 2640 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Lather (Interior Systems Mechanic)	AIG \$1,000 1125 work based hours Module A technical training	AIG \$1,000 2250 work based hours Module B technical training	ACG \$2,000 Upon Certification
Lather (Interior Systems Mechanic) (Effective September 1, 2018)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Machinist	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 3300 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Machinist (Effective April 1, 2020)	AIG \$1,000 1583 work based hours Level 1 technical training	AIG \$1,000 3165 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Metal Fabricator (Fitter)	AIG \$1,000 1600 work based hours Level 1 technical training	AIG \$1,000 3200 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Mobile Crane Operator (Effective January 1, 2017)	AIG \$1,000 1660 work based hours Level 1 technical training	AIG \$1,000 3320 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Motorcycle Technician	AIG \$1,000 1680 work based hours Level 1 technical training	AIG \$1,000 3360 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Motorcycle Technician (Effective April 1, 2022)	AIG \$1,000 1450 work based hours Level 1 technical training	AIG \$1,000 2900 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Painter and Decorator	AIG \$1,000 1800 work based hours Level 1 technical training	AIG \$1,000 3600 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Parts and Warehousing Person 1 (Effective August 1, 2023 name change to Parts Technician 1)	AIG \$1,000 Upon Certification	N/A	N/A
Partsperson 2 (Effective August 1, 2023 name change to Parts Technician 2)	N/A	AIG \$1,000 Upon Certification	N/A

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Partsperson 3 (Effective August 1, 2023 name change to Parts Technician)	N/A	N/A	ACG \$2,000 Upon Certification
Plumber	AIG \$1,000 1405 work based hours Level 1 technical training	AIG \$1,000 2810 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Plumber (Effective January 1, 2011)	AIG \$1,000 1605 work based hours Level 1 technical training	AIG \$1,000 3210 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Plumber (Effective April 1, 2019)	AIG \$1,000 1575 work based hours Level 1 technical training	AIG \$1,000 3150 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Powerline Technician	AIG \$1,000 2117 work based hours Level 1 technical training	AIG \$1,000 4234 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Powerline Technician (Effective September 1, 2020)	AIG \$1,000 1680 work based hours Level 1 technical training	AIG \$1,000 3360 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Professional Cook 1	AIG \$1,000 Upon Certification	N/A	N/A
Professional Cook 2	N/A	AIG \$1,000 Upon Certification	N/A
Professional Cook 3	N/A	N/A	ACG \$2,000 Upon Certification
Recreational Vehicle Service Technician	AIG \$1,000 1160 work based hours Level 1 technical training	AIG \$1,000 2320 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Recreational Vehicle Service Technician (Effective January 1, 2023)	AIG \$1,000 1170 work based hours Level 1 technical training	AIG \$1,000 2340 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Refrigeration and Air Conditioning Mechanic	AIG \$1,000 1444 work based hours Level 1 technical training	AIG \$1,000 2888 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Refrigeration and Air Conditioning Mechanic (Effective December 1, 2019)	AIG \$1,000 1553 work based hours Level 1 technical training	AIG \$1,000 3105 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Roofer	AIG \$1,000 1200 work based hours Level 1 technical training	AIG \$1,000 2400 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Roofer (Effective September 1, 2022)	AIG \$1,000 1650 work based hours Level 1 technical training	AIG \$1,000 3300 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Sheet Metal Worker	AIG \$1,000 1420 work based hours Level 1 technical training	AIG \$1,000 2840 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Sheet Metal Worker (Effective April 1, 2019)	AIG \$1,000 1560 work based hours Level 1 technical training	AIG \$1,000 3120 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Sprinkler Fitter	AIG \$1,000 1420 work based hours Level 1 technical training	AIG \$1,000 2840 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Sprinkler Fitter (Effective April 1, 2019)	AIG \$1,000 1620 work based hours Level 1 technical training	AIG \$1,000 3240 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Steamfitter / Pipefitter	AIG \$1,000 1405 work based hours Level 1 technical training	AIG \$1,000 2810 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Steamfitter / Pipefitter (Effective April 1, 2019)	AIG \$1,000 1575 work based hours Level 1 technical training	AIG \$1,000 3150 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Tilesetter	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Tower Crane Operator (Effective December 1, 2017)	AIG \$1,000 1325 work based hours Level 1 technical training	AIG \$1,000 Upon certification	ACG \$2,000 Upon Certification
Transport Trailer Technician	AIG \$1,000 1650 work based hours	AIG \$1,000 3300 work based hours	ACG \$2,000 Upon Certification
Transport Trailer Technician (Effective 2014 - Heavy Mechanical Trades)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 Upon certification	ACG \$2,000 Upon Certification
Truck and Transport Mechanic	AIG \$1,000 1485 work based hours Level 1 technical training	AIG \$1,000 2970 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Truck and Transport Mechanic (Effective January 1, 2013)	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Truck and Transport Mechanic (Effective September 1, 2017)	AIG \$1,000 1590 work based hours Level 1 technical training	AIG \$1,000 3180 work based hours Level 2 technical training	ACG \$2,000 Upon Certification

Apprentice Incentive Grant Requirements

Program	Progression Level 1	Progression Level 2	Certification
Welder	AIG \$1,000 1500 work based hours Level 1 technical training	AIG \$1,000 3000 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Welder (Effective March 31, 2017)	AIG \$1,000 1540 work based hours Level 1 technical training	AIG \$1,000 3080 work based hours Level 2 technical training	ACG \$2,000 Upon Certification
Welder A	N/A	N/A	ACG \$2,000** Upon Certification
Welder B	N/A	AIG \$1,000 Upon Certification	ACG \$2,000** Upon Certification
Welder C	AIG \$1,000 Upon Certification	N/A	N/A

**ACG for Welding can be claimed once only either with Welder B or Welder A certification

Updated: April 1, 2023
