

HEAVY DUTY EQUIPMENT TECHNICIAN

Occupation Description

“Heavy Duty Equipment Technician” means a person who maintains, manufactures, overhauls, reconditions and repairs equipment powered by internal combustion engines or electricity and without limiting the foregoing, including graders, loaders, shovels, off-highway tractors, off-highway trucks, forklifts, wheeled and tracked vehicles of all types used in construction, logging, sawmill, manufacturing, mining and other similar industry.

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the SkilledTradesBC website.

Pathways to Certification

In BC, an individual can become certified as a Heavy Duty Equipment Technician by completing the Heavy Duty Equipment Technician program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Youth can begin an apprenticeship in high school through the Youth Train in Trades or Youth Work in Trades programs. The Youth Work in Trades program is available for any trade if an employer is willing to sponsor the student. Trades offered through the Youth Train in Trades vary by region; contact your local school district to find out which technical training programs are being offered through the Youth Train in Trades program in your region.

Foundation programs, where available, provide adults and youth who do not have work experience or employer sponsorship with an opportunity to gain the knowledge and skills needed to enter the occupation. Individuals who wish to enroll in a Foundation program must register directly with the training provider.

Recommended Education

The following education is recommended for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 10 or equivalent including English 10, Mathematics 10 and Science 10
- Preferred: Grade 12

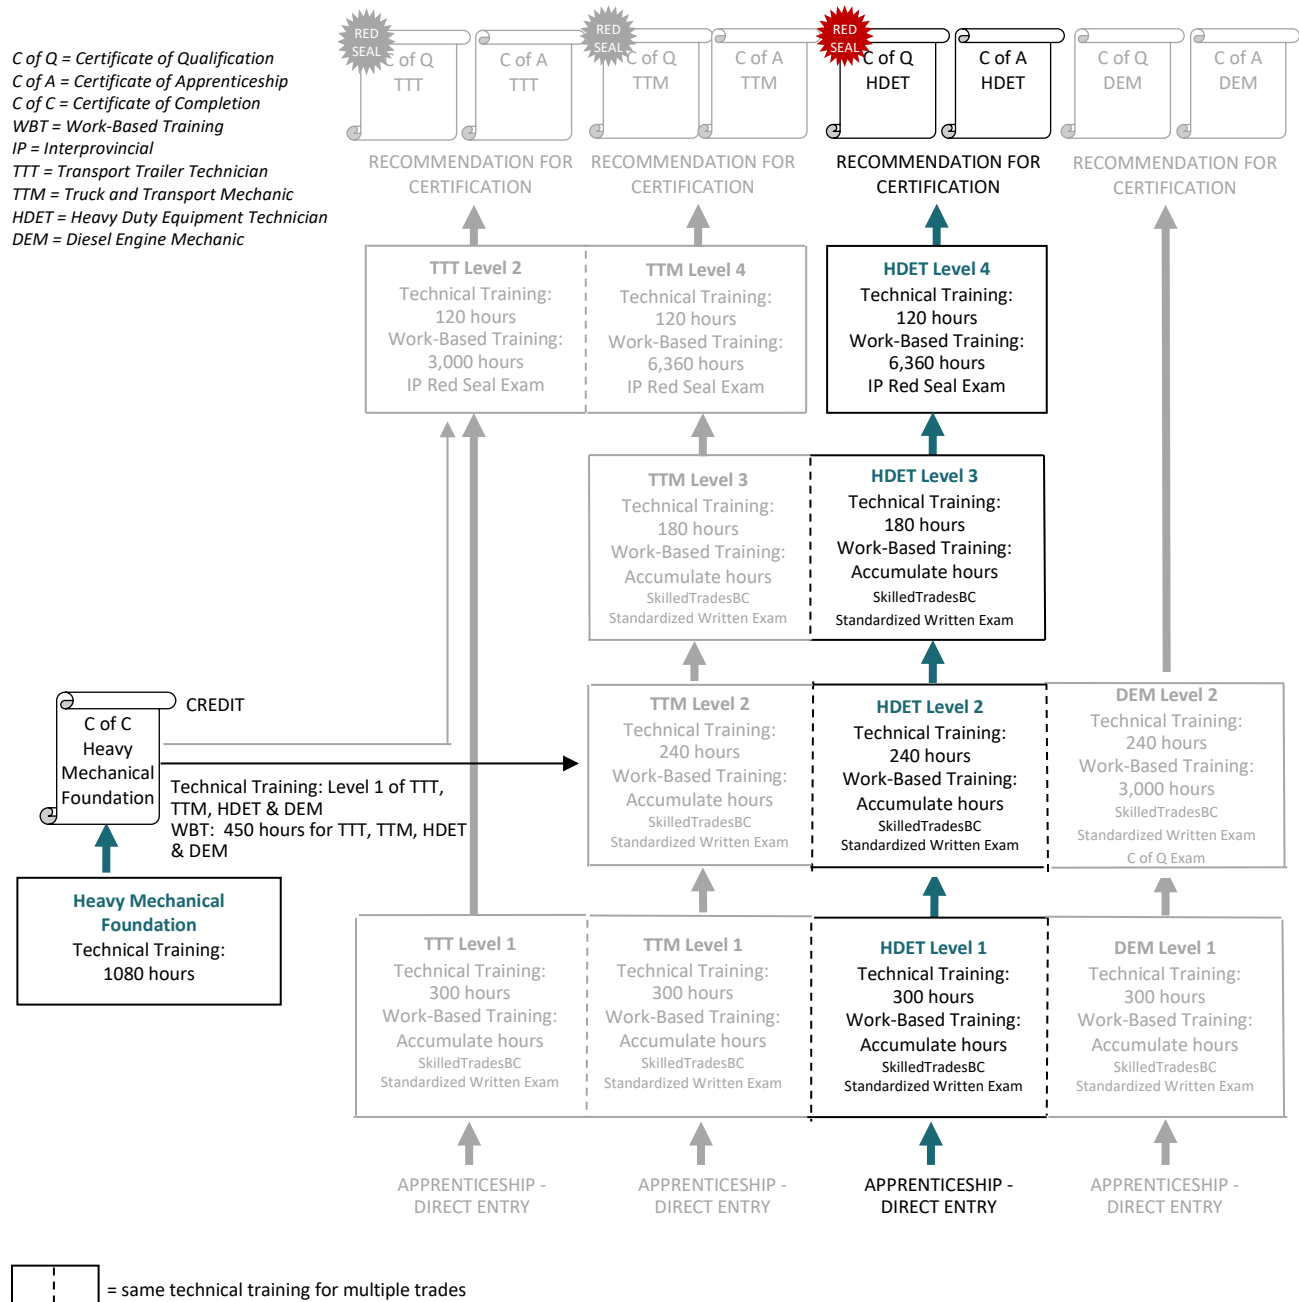

SkilledTradesBC Registration

Individuals who wish to begin an apprenticeship in this program must register with SkilledTradesBC along with their sponsor. Application forms for all programs are available from the SkilledTradesBC website. Online registration is also available for most programs through the SkilledTradesBC website.

Those who wish to challenge the Heavy Duty Equipment Technician certification must complete the Heavy Duty Equipment Technician Challenge Application and submit it to SkilledTradesBC. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the Challenge pathway.

Apprenticeship Pathway

This graphic provides an overview of the Heavy Duty Equipment Technician apprenticeship pathway.

CROSS-PROGRAM CREDITS

Individuals who hold the credentials listed below are entitled to receive partial credit toward the completion requirements of this program

Apprenticeship Program Standards

Credentials Awarded

- Heavy Duty Equipment Technician – Certificate of Qualification with Interprovincial Red Seal endorsement
- Heavy Duty Equipment Technician – Certificate of Apprenticeship

SkilledTradesBC Registration Prerequisites

- Agreement signed by the employer to sponsor the apprentice

Completion Requirements

Certification as a Heavy Duty Equipment Technician is awarded upon successful completion of:

Requirement

Level of Achievement Required

Technical Training

Minimum 70% in each level of technical training:

- Level 1: 300 hours and SkilledTradesBC Standardized Written Exam
- Level 2: 240 hours and SkilledTradesBC Standardized Written Exam
- Level 3: 180 hours and SkilledTradesBC Standardized Written Exam
- Level 4: 120 hours

Interprovincial Red Seal Exam

- Minimum 70%

Work-Based Training

- 6,360 hours

Recommendation for Certification

- Recommendation for certification signed by the Sponsor and an individual holding credentials eligible for sign-off authority

Program Duration

Duration varies depending on how training is delivered, but the program generally takes 4 years to complete.

The technical training requirement is typically met through block-release training (full-time, at school) delivered by a SkilledTradesBC-approved training provider. It can also be met through approved alternative training models (e.g., distance education, online, part-time) and/or level challenge where these options are available.

Sign-off Authority

Credentials eligible to sign-off on the Recommendation for Certification:

- Heavy Duty Equipment Technician – Certificate of Qualification
- Heavy Duty Equipment Technician – Interprovincial Red Seal endorsement

Challenging a Level

The following levels of technical training can be challenged for advanced placement in this program

Level

- Level 1
- Level 2
- Level 3

Apprenticeship Program Standards
