

## **CABINETMAKER**

**THIS BC PROGRAM HAS BEEN HARMONIZED AND IS BASED ON RSOS 2022**

---

### **Occupation Description**

Cabinetmakers build, repair, finish and install residential and commercial cabinets (including hardware), wooden furniture and architectural millwork using a variety of woods, laminates, and other products. Cabinetmakers read drawings and specifications and prepare layouts. They also set up and operate woodworking equipment, both power and computerized, to machine wood products and composite materials. Cabinetmakers use various hand and power tools, and precision woodworking tools to perform their work. In some shops, cabinetmakers sand and finish the surfaces either before or after assembly. They also apply finishing products. Some may choose to specialize in areas such as stairs, veneering, sporting equipment, musical instruments, moulding, or finishing.

For detailed information on the scope of knowledge and skills taught and assessed in this program refer to the Program Outline, available on the SkilledTradesBC website.

### **Pathways to Certification**

In BC, an individual can become certified as a Cabinetmaker by completing the Cabinetmaker program or by challenging the certification. Apprenticeship programs are for individuals who have an employer to sponsor them and challenge programs are for individuals who have extensive experience working in the occupation and wish to challenge the certification.

Youth can begin an apprenticeship in high school through the Youth Train in Trades or Youth Work in Trades programs. The Youth Work in Trades program is available for any trade if an employer is willing to sponsor the student. Trades offered through the Youth Train in Trades vary by region; contact your local school district to find out which technical training programs are being offered through the Youth Train in Trades program in your region.

Foundation programs, where available, provide adults and youth who do not have work experience or employer sponsorship with an opportunity to gain the knowledge and skills needed to enter the occupation. Individuals who wish to enroll in a Foundation program must register directly with the training provider.

### **Recommended Education**

The following education is **recommended** for apprentices entering this occupation. These are not prerequisites, but rather a desired level of skill or knowledge that will contribute to success in the industry.

- Grade 10 or equivalent including English 10, Math 10, and Science 10
- **Preferred:** Grade 12
- See [curriculum.gov.bc.ca](https://curriculum.gov.bc.ca) for a list of current BC High school course names

**SkilledTradesBC Registration**

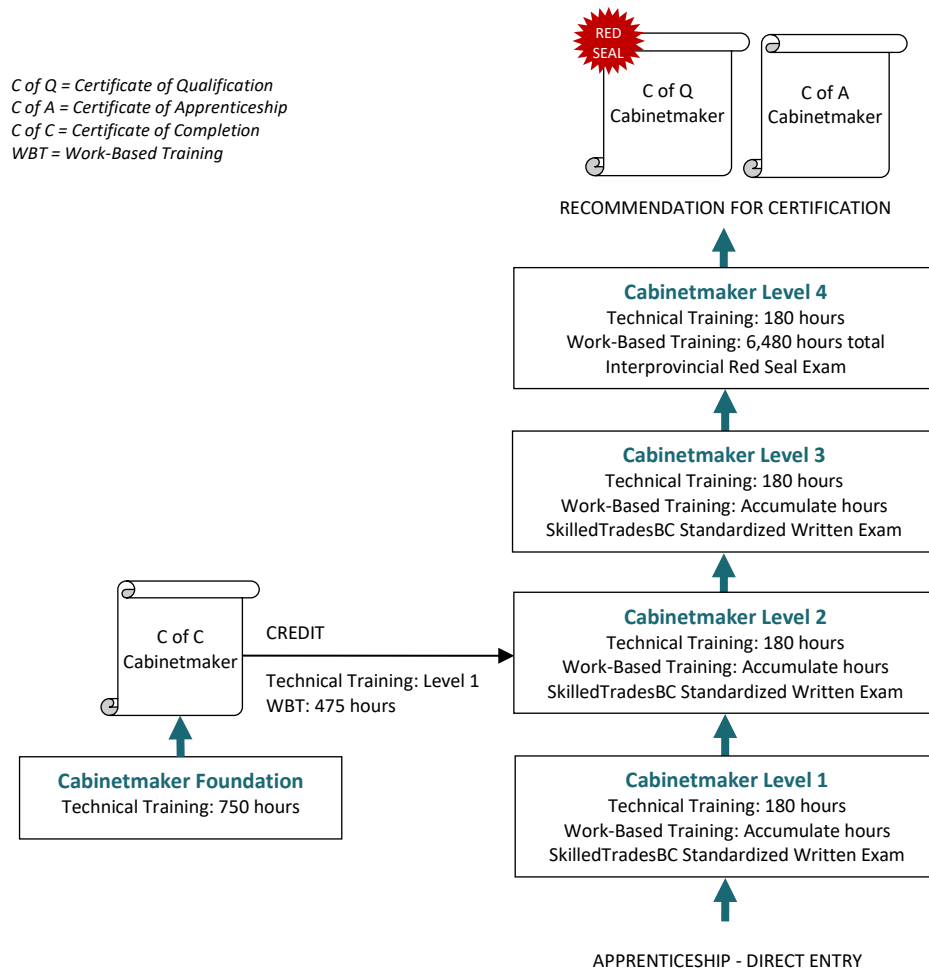

Individuals who wish to begin an apprenticeship in this program must register with SkilledTradesBC along with their sponsor. Application forms for all programs are available from the SkilledTradesBC website. Online registration is also available for most programs through the SkilledTradesBC website.

Those who wish to challenge the Cabinetmaker certification must complete the Cabinetmaker Challenge Application and submit it to SkilledTradesBC. Challenge applications are assessed for proof of workplace hours and scope of experience prior to acceptance of the individual into the Challenge pathway.

## Apprenticeship Pathway

This graphic provides an overview of the Cabinetmaker apprenticeship pathway.

### CROSS-PROGRAM CREDITS

Individuals who hold the credentials listed below are entitled to receive partial credit toward the completion requirements of this program

None

### Apprenticeship Program Standards

**Credentials Awarded**

- Cabinetmaker – Certificate of Qualification with Red Seal endorsement
- Cabinetmaker – Certificate of Apprenticeship

**SkilledTradesBC  
Registration Prerequisites**

- Agreement signed by the employer to sponsor the apprentice

**Completion Requirements** Certification as a Cabinetmaker is awarded upon successful completion of:

**Requirement**
**Level of Achievement Required**

Technical Training

Minimum 70% in each level of technical training:

- Level 1: 180 hours and SkilledTradesBC standardized written exam
- Level 2: 180 hours and SkilledTradesBC standardized written exam
- Level 3: 180 hours and SkilledTradesBC standardized written exam
- Level 4: 180 hours

Interprovincial Red Seal Exam

- Minimum 70%

Work-Based Training

- 6,480 hours

Recommendation for Certification

- Recommendation for certification signed by the Sponsor and an individual holding credentials eligible for sign-off authority

**Program Duration**

Duration varies depending on how training is delivered, but the program generally takes 4 years to complete.

The technical training requirement is typically met through block-release training (full-time, at school) delivered by a SkilledTradesBC-approved training provider. It can also be met through approved alternative training models (e.g., distance education, online, part-time) and/or level challenge where these options are available.

**Sign-off Authority**

Credentials eligible to sign-off on the Recommendation for Certification:

- Cabinetmaker – Certificate of Qualification
- Cabinetmaker – Interprovincial Red Seal endorsement
- Cabinetmaker (Joiner) – Certificate of Qualification
- SkilledTradesBC-issued letter authorizing supervision and sign-off of apprentices in this occupation

**Challenging a Level**

The following levels of technical training can be challenged for advanced placement in this program

**Level**

- Level 1 (*when implemented*)

### Apprenticeship Program Standards
