

Skilled Trades Certification Advisors (*permanent, full-time*)

ABOUT THE POSITION

With an expanding mandate and requisite growth to meet the needs of learners and industry, SkilledTradesBC is seeking Skilled Trades Certification Advisors.

Skilled Trades Certification is currently seeking two (2) Skilled Trades Certification Advisors to work out of the following locations across British Columbia:

- One (1) Abbotsford or Langley (Local - Remote)
- One (1) Dawson Creek or Fort St. John (Regional - Remote)

Reporting to the Manager of Skilled Trades Certification, Skilled Trades Certification Advisors are responsible for maintaining and enhancing skilled trade apprenticeship and certification in British Columbia. Through a model that emphasizes education and support, Skilled Trades Certification Advisors will ensure that legislated responsibilities are understood and observed. This is achieved by leading awareness and educational outreach activities with impacted parties, providing sound interpretation of legislated requirements and initiating compliance activities throughout the province. To complement the outreach activities, Skilled Trades Certification Advisors value a customer-centric approach and are effective communicators exercising sound judgment in an independent environment.

Travel will be required for this role.

RESPONSIBILITIES/ACCOUNTABILITIES

Locally represent SkilledTradesBC to stakeholders, industry, employers, sponsors, and apprentices. Develop regional relationships to better promote the value, knowledge, and regulatory responsibilities behind skilled trade training, apprenticeship, and sponsorship in BC.

- Builds and enhances relationships with industry, employers, sponsors, and apprentices to ensure legislated responsibilities under the Skilled Trades BC Act is understood.
- Conduct compliance activities including education, promotion, inspection, audit, investigation, and enforcement.
- Receives/requests information and reaches out to SkilledTradesBC departments that can support in resolving requests some of which may be confidential or quite sensitive in nature, from clients or other interested parties.
- Conducts preliminary assessments of complaints/applications, ensuring all relevant documentation is present, and follows up with requests to the client or other interested parties if any documentation is missing.
- Performs searches of various databases and other available resources to collect additional information that guides compliance activities performed.
- Updates databases to include findings and decisions.
- Prepares detailed written summary of findings and decisions and communicates decisions to clients and staff.

- Conducts supplementary reviews to re-assess decisions in the event that new or additional information is presented.
- Responds to client inquiries regarding the progress of complaints/applications.
- Confirms that decisions are compliant with legislation, regulations, and policies and are accurately recorded in program databases and records systems.
- Maintains current knowledge of legislation, regulations, and policies
- Maintains and regularly updates records and databases to ensure ongoing compliance and to assist ongoing and future enforcement activities.
- Participates in the training and mentoring of new branch staff and collaborates with colleagues to share information and processes.
- Advises clients and stakeholders on the Skilled Trades BC Act and associated regulations and provides direction on the appropriate processes.
- Assists with the preparation and delivery of public education workshops on matters related to the Apprenticeship and Skilled Trades Certification
- Role model collaborative approaches to communication and innovation and actively seeks ways to enhance the work environment, including harmonization of new mandates into the existing culture.
- Participates at various committees, seminars, joint initiatives and events related to compliance and the Skilled Trades Certification legislation.

EDUCATION/EXPERIENCE

- A Bachelor's Degree in Public Policy, Business Administration, Trades Certification, and/or equivalent is preferred; a combination of education and experience in public policy will be considered for this position
- Experience in working with administrative legal frameworks
- Ability to understand and interpret standards and legislation
- Experience applying investigation skills and analysis for inspection practice is preferred
- Experience in working with Government and Crown Corporations
- Strong conflict management skills and experience
- Strong people-centric leadership knows for their effective management and relationship building skills
- Ability to prepare and present technical and/or sensitive information to a diverse range of audiences
- Ability to exercise sound judgement on issues of a sensitive and contentious nature and ability to negotiate and develop consensus around complex policy and strategies
- Experience in effectively utilizing data and analytics to support organizational decisions
- Strong ability to work in a digitalized environment with multiple IT systems and use the Microsoft Office Suite
- Comfortable in an environment of tight deadlines and competing demands
- Ability to write concise reports
- Knowledge of the B.C. apprenticeship system is an asset
- Must have valid BC driver's license and access to a personal vehicle
